Science Counsellor

Study in Iran

(An Introduction of Iranian Universities)

Esmail Mehryar, PhD.
*Science counsellor,
The embassy of the Islamic Republic of Iran in Beijing*

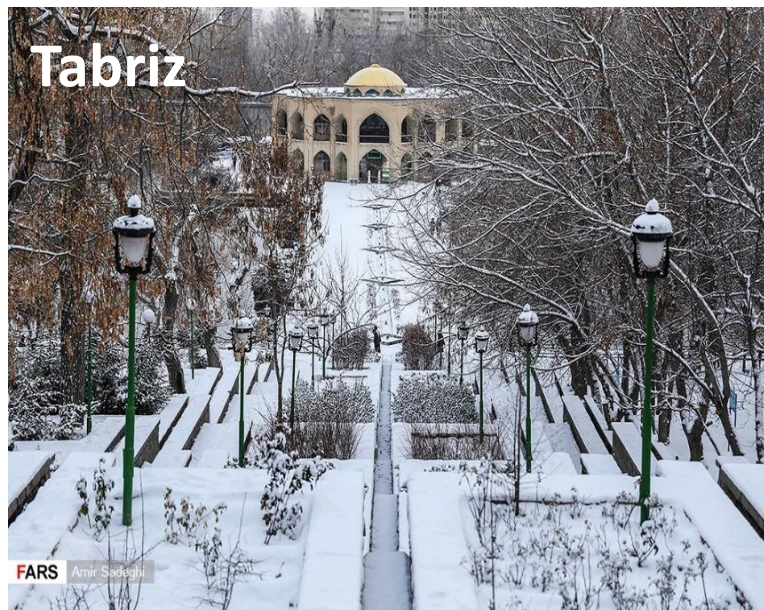

9th March 2024, Hangzhou

- Neighbor of **15** Countries!
- **31** Provinces

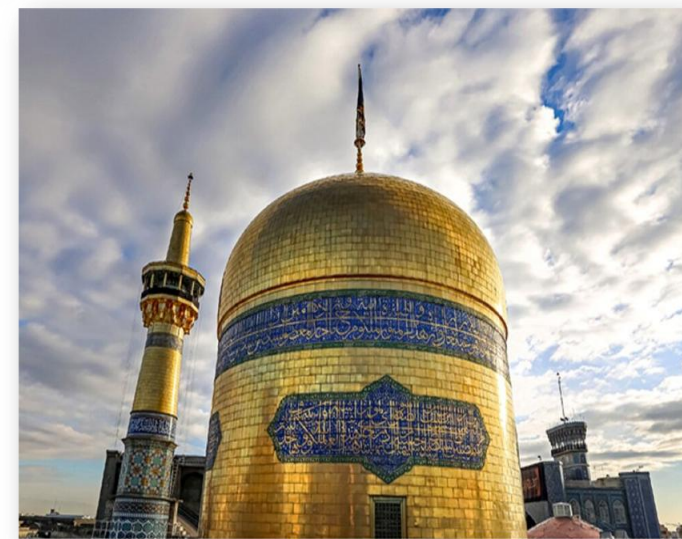

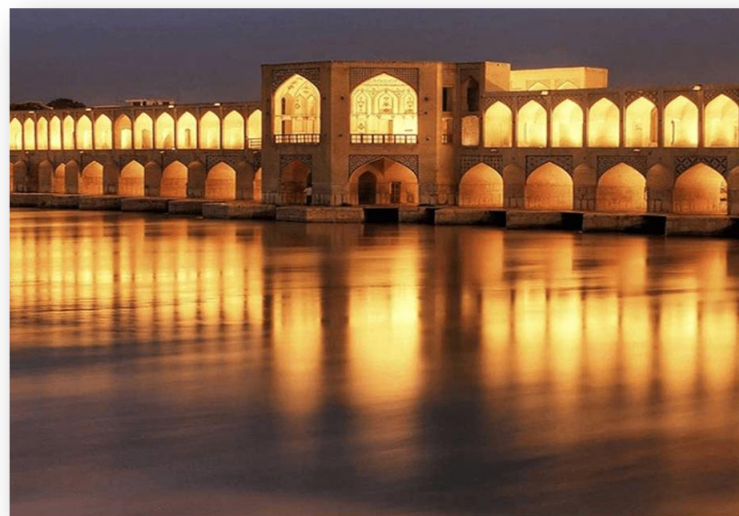

Climate

- The **real four season** country
- In one day the temperature in Kish is **+24°C** whereas the temperature in Tabriz is **-10°C**
- The north of Iran is green and humidity
- The **South East** is **cold** and wet
- The south is **hot** and **humid**
- The center is **hot** and **wet**

Discover Iran

Discover Iran

WEB OF SCIENCE

- As of 2021 and according to the most recent scientific production data, the Islamic Republic of Iran holds the **15th position** globally in the Web of Science international system.
- The latest update on Iran's scientific production in the Web of Science domain, as of November 28, 2021, reveals an **H-index of 383**, underscoring the caliber of registered Iranian articles.

SJR

- Upon reviewing Iranian journals indexed in international databases, it can be inferred that in 2021, **172 journals** were indexed in ISI, while **284** were indexed in **SCOPUS**.
- Iran's **H-index** in 2021 is ranked **40**, and its H-index based on the number of articles amounts to **376**.
- According to the most recent update of the **SCImago** ranking system spanning from 1996 to 2020, the Islamic Republic of Iran secures the **21st rank** in this classification, and it ranks **second** in the Middle East.

nature INDEX

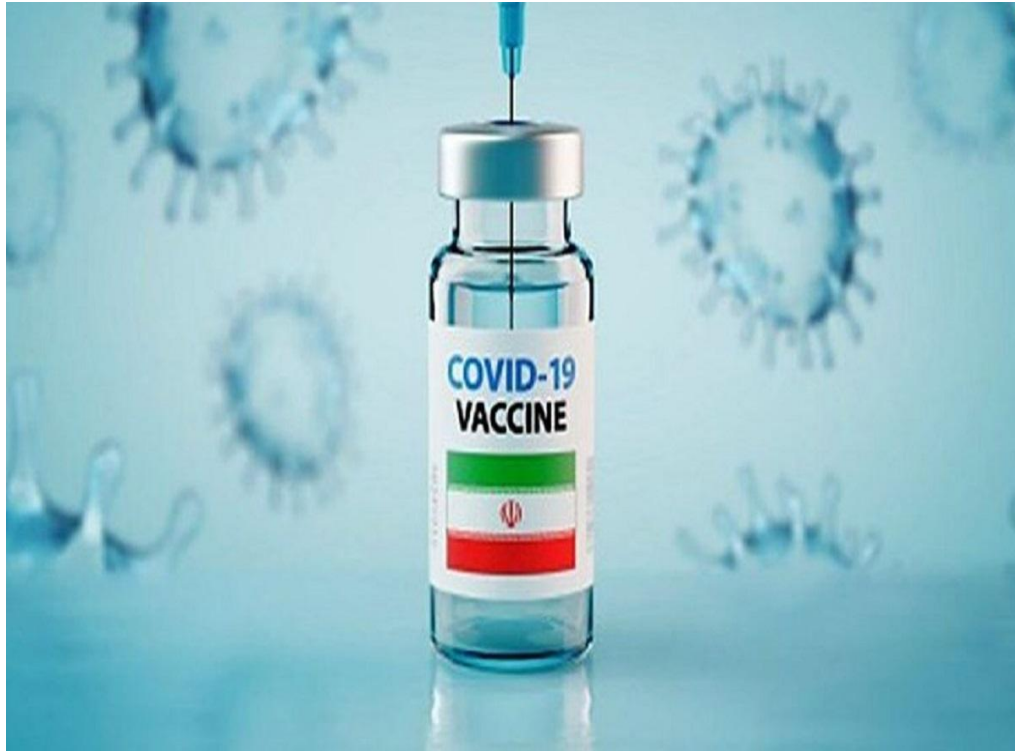

- In terms of Iran's scientific position in the **NATURE INDEX** for 2021, Iran's overall ranking stands at 35.

Fact & Figs.

- +100,000 *international* students
- +3,170,000 students
- +200 *international* universities

Fact & Figs.

Covid19 Vaccine made by Iran

We have our own satellite in space.
Yes, this is made in Iran

Medical Science Universities

78 Medical universities in 31 provinces

821 Research centers

22000 Faculty members

259 Scientist in the list of **top 1%** of most influential researchers

Agricultural Universities

Four specialized universities in agricultural sciences in addition to other universities

75 Agricultural Research Centers

80 journals indexed in ISC/ISI/SCOPUS

3500 Faculty Members

TUMS *International rankings:*

- Shanghai 2022: 401- 500
- Qs 2021 (by subject: *Medicine*): 351-400
- Qs 2021 (By subject: *pharmacy*): 301-350
- Times 2022: 301-400
- URAP 2022: 313
- RUR 2021: 161
- NTU 2021: 368

Schools

1. Advanced Technologies in Medicine
2. Allied Medical Sciences
3. Dentistry
4. Medicine
5. Nursing and Midwifery
6. Nutritional Sciences & Dietetics
7. Persian Medicine
8. Pharmacy
9. Public Health
10. Rehabilitation
11. Intl. College
12. Kish Intl. Campus
13. Karbala. Campus (IRAQ)

Schools

TUMS has *9 Specialized* Hospitals:

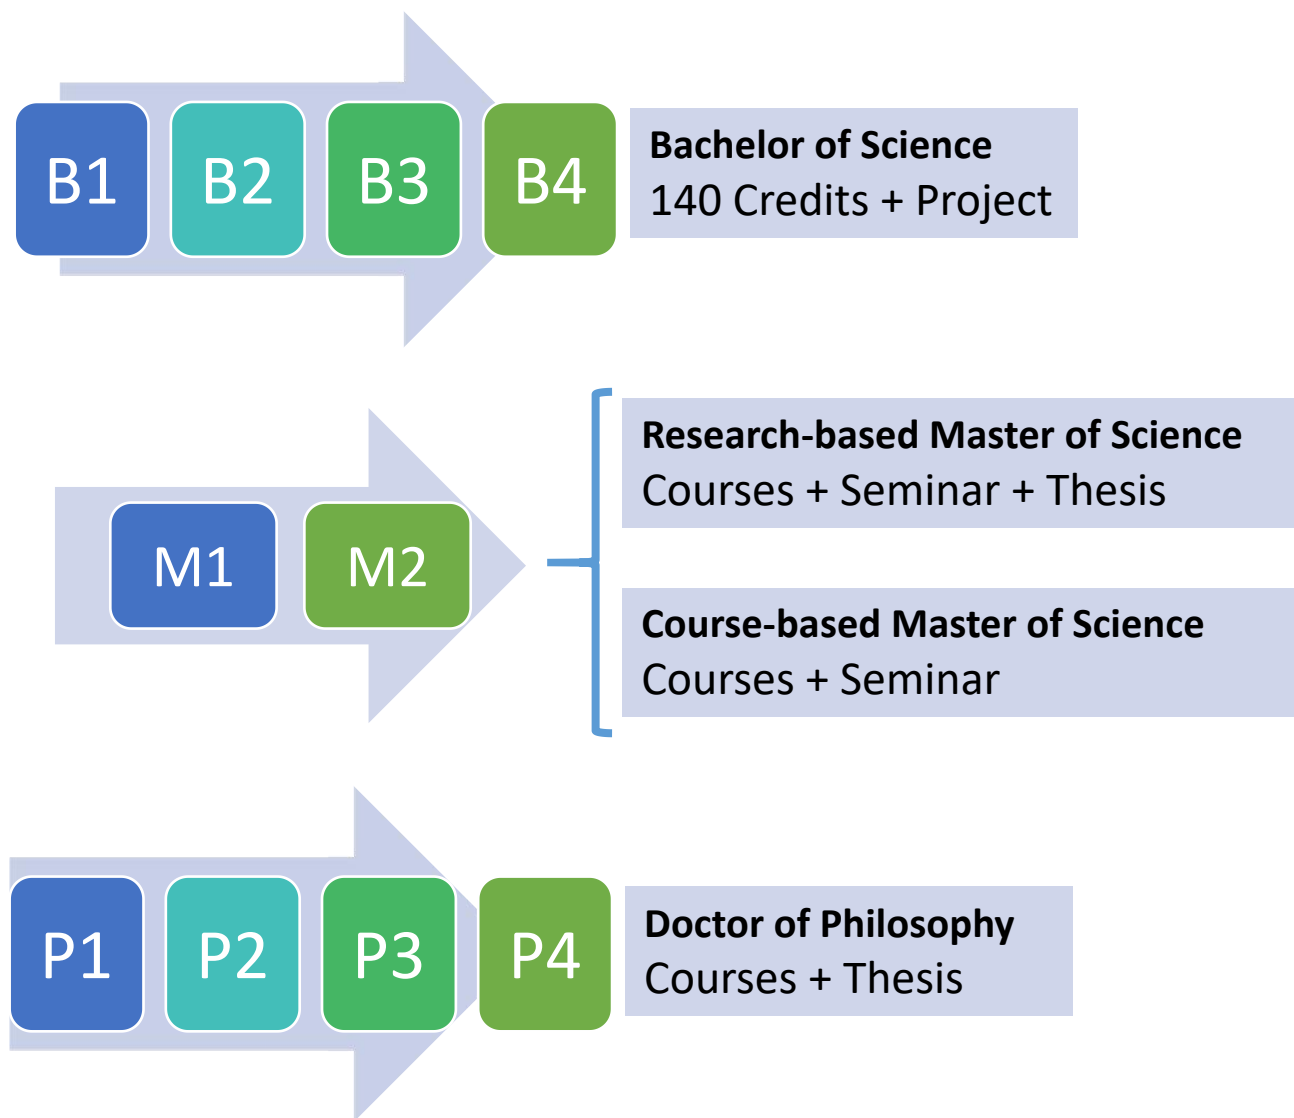

1. Bahrami (Pediatrics)
2. Cancer Institute (Cancer)
3. Children Medical Center (Pediatrics)
4. Farabi (Ophthalmology)
5. Moheb-e Yas Women's (Obstetrics and Gynecology)
6. Razi (Dermatology)
7. Roozbeh (Psychiatry)
8. Tehran Heart Center (Cardiology)
9. Arash Women's (Obstetrics & Gynecology)

Medical sciences majors (Tehran University of Medical Sciences)

Major or grade	Duration (year)	Normal Tuition fee (USD)/year	Relief Tuition Fee (USD)/Year
M.D./M.B.B.S.	7/6	10 000	6000
D.D.S.	6	7500	3750
B.D.S.	5	7500	3500
M.Pharm./Pharm.D.	4.5/5.5	6500	3000
B.Sc.	3-4	3000	2000
M.Sc.	2-3	3000	3000
PhD.	Determined by the Department	5000	5000
Specialty	3-5	5000	5000
Subspecialty	2-3	5000	5000
Fellowship	1-1.5	5000	5000

Academic Programs (Non- medical sciences majors and disciplines)

Founded in 1966

- 10,500 Students: Around half are undergraduates and the rest are Masters' and Ph.D. student
- A quarter of the students are female
- Over 50,000 Alumni
- **475** Faculty Members: 38% Professors, 22% Associate Professors, 36% Assistant Professors, 4% Lecturer
- **9** Engineering Departments
- 3 Science Departments
- 3 Humanities Departments and Centers
- **16 Research Centers**
- Attracts 95% of top high school leavers
- International campus on Kish Island

- Founded in 1978
- 400 faculty members
- 13000 students,
- 9 faculties,
- 17 research centers and cores
- 266 study programs
 - ❖ 68 PhD
 - ❖ 133 Master
 - ❖ 62 Bachelor
 - ❖ three Associate programs

Faculties

- Faculty of Agriculture & Natural Resources (1978)
- Faculty of Engineering (1989)
- Faculty of Science (1993)
- Faculty of Literature & Humanities (1996)
- Faculty of Educational Science and Psychology (2012)
- Faculty of Agriculture (Meshgin Shahr Campus) (2007)
- Faculty of New Technologies (Namin Campus) (2011)
- Faculty of Social Science (2022).

Art Gallery of the University

The Art Gallery of Tabriz Islamic Art University was established in 2011. The main focus is to encourage students to create magnificent works of Art and model them for inspiring artists. The Art Gallery contains a precious collection of artworks designed by students and artists in various fields, e.g., Carpet-Design, Pottery, Wood Arts and Crafts, Metal Arts and Crafts, Glass and Miniature.

IRCICA Festival

The faculty of Islamic artifacts, in association with Research Center for Islamic History, Art and Culture (known as IRCICA), affiliated with the Organization of Islamic Cooperation, and the Organization of Islamic Culture and Communication, brings together experts from the countries around the world in Iran, in order to discuss, explain, exchange views and provide proper approach to the Islamic arts and handicrafts. Tabriz Islamic Art University, in the same line, has been developing its international relations by holding the "International Festival of Creativity and Innovation in Islamic Arts and Crafts" in Tabriz, in order to present practical experiences, especially in the field of academic teaching of handicrafts brought together scholars and experts from Islamic countries in the metropolitan city of Tabriz.

Specialized in terms of Agricultural Sciences and Natural Resources

- **4000** Students
- **188** Professors
- **13** Journals indexed in ISC/ISI/SCOPUS
- **23** Undergraduate
- **80** postgraduate programs
- **13** Labs

Faculties

- Forest Sciences
- Animal Sciences
- Plant Production
- Agricultural Management
- Water and Soil Engineering
- Food Science and Technology
- Wood and Paper Engineering
- Fisheries and Environmental Sciences
- Range land and Watershed
- Management Resources

GUASNR's rank in the Middle Eastern universities (Scimago 2022)

- **1th** in Food Science!!
- **2nd** in Aquatic Science
- **13th** in Forestry

SJR

Why Iran?

- High quality education
- Low cost of life and education
- Multicultural country
- Food diversity
- Safety

Non- medical sciences majors and disciplines:

Tuition fee (IRR)	Duration (year)	Major	Grade
770 000 000	Determined by the Department	Social Science	PhD
840 000 000		Engineering and Agriculture	
770 000 000		Basic Sciences	
280 000 000	2-3	Social Sciences and Art	Master
350 000 000	2-3	Engineering, Agriculture and Basic Sciences	
350 000 000	3-4	All majors	Bachelor
77 000 000	1	Persian Language	Short-term
112 000 000	6 months	Sabbatical leave	

Scholarships:

Major	Scholarship type	Grade	Tuition fees	Monthly stipend (IRR)*	Monthly stipend (IRR)**	Dormitory
Non- medical sciences majors	A (Persian language and Iranian studies)	BSc	Covered	33 750 000	48 750 000	Covered
		MSc		39 375 000	53 625 000	
		PhD		42 187 500	58 500 000	
	B (All other majors)	BSc	Covered	-	-	-
		MSc		-	-	-
		PhD		-	-	-
Medical sciences majors	Self-funding					

* For single students

** For married students

How to Apply

Two ways of application:

1. Directly go to website of your desired university
2. Go to the website of: www.studyiniran.saorg.ir
